Advertising Slogans:

- a) SEE the Show or BE the show
- b) They say that a mind is a terrible thing to waste. But who says you can't tamper with it...
- c) This show will blow your mind...temporarily of course.

1. SOUND REQUIREMENTS

A modern professional quality sound system, a high quality lapel mic as well as a handheld wireless mic are required. (mic stand for wireless hand held is required as well) PLEASE HAVE AUDIENCE NO MORE THAN 10 FEET FROM STAGE. Those set ups that have the first row of audience 20 feet from the stage are not appropriate for this type of presentation. Please make note the lapel mic is very important since Michael will need both hands free for the show.

Please note: sound systems with permanent speakers installed in the ceiling (common in most hotel ballrooms) are very weak and cannot adequately carry the performance.

2. EQUIPMENT AND SUPPLIES

2 standard paper back novels. This will be used in an effect during the program. We prefer these books be provided so that the audience doesn't think the books are "trick books"

One table (5-6 feet long with a tablecloth)

3 pieces of white foam core. 20" x 30" and 1/4" thick

1 Exacto knife to cut foam with

(please have the foam core and exacto knife waiting for Michael in his room or the front desk of the hotel so he can prepare them prior to the performance. Unfortunately due to security Michael can no longer travel with this equipment. If you have any questions or need anything else please let me know.)

3. LIGHTING

General house lighting is adequate for the performance.

4. VIDEO AND AUDIO REPRODUCTION

Michael's performance can only be recorded with permission from Michael or Quantum Talent. If the show is recorded Michael requests a copy of the recording.
